- Data was extracted on the 22<sup>nd</sup> of May 2023 and may differ if rerun at a later date. More recent months are the most likely to change as new medical certificates are included in the data and pending claims are accepted.
- Days on restricted or alternative duties are not included.
- The current data comes from our injury management provider, Howden Care, and is limited to Corrections' employees.
- Days lost (calendar days) were calculated using dates from medical certificates and may differ from actual scheduled work days lost.
